

GYMTRIX HAS MOVED!

We are delighted to announce that Gymtrix has **moved to a magnificent new location!** After over a year of planning and research, we have acquired an ideal facility and we are now busy designing and renovating a beautiful new Gymtrix site. Our **big move** took place at the end of June and transformation into a first class gymnastics centre will take place during the summer.

We will welcome our Gymtrix families to our new home in time for **Fall programs in September.**

NEW LOCATION

Gymtrix is now located at 7 Ferris Drive

- Beside **Laporte's Nursery** / behind **Northwood Windows and Doors**
- Walking distance to **Omischl Park**
- **7 minutes from Northgate Square** via the bypass
- Approximately **13 minutes from our Gormanville location**

SUMMER DAYCAMPS / LESSONS / PARTIES

We have carefully studied the enormous task ahead of us and we have determined that for the first time in 12 years, **Gymtrix will not be operational during the summer for any programs.** We sincerely apologize for any inconvenience that this may cause you and your family. We have considered countless possible interim locations for the summer and have unfortunately exhausted every option.

FALL REGISTRATIONS

We will soon be accepting registrations for our Fall programs (lesson, parties, school programs etc.) This can be done by telephone as our registration desk will not be open to the public during construction. The **2010-11 Gymtrix online brochure** will be posted on our homepage at gymtrix.ca in the near future.

OUR THOUGHTS ON MOVING

Due to circumstances beyond our control, we could no longer remain at 600 Gormanville beyond June 30. It was not our first choice to leave our Gormanville location as we have put 12 years of work into our that facility. We have too many wonderful memories to count. Several Provincial Champions were produced and a U.S. scholarship was earned within those walls. Babies have grown up before our eyes and so many children have enjoyed the wonderful world of gymnastics at our Gormanville location. We are very sad to leave our memories behind...but we are 'over the moon' at the fact that we will finally be in our very own 'perfect' home. If we can survive a flood where our gym was literally under water and a fire that came inches away from taking everything...all with the help of those who believe in us... then we can conquer anything. **The spirit of Gymtrix has left the Gormanville location and now resides at 7 Ferris Drive.**

THANK YOU

This is a very exciting time for us and we are very pleased and proud that we have some of the best professionals in the business involved in our project...and most of all...we feel blessed to have so many people cheering for through this journey. We would not be embarking on this endeavor without the support of our members, staff, and our network of friends who believe in us and continue to encourage us each time we are faced with a hurdle.

We would like to express our genuine gratitude to everyone for your continued support ...and we thank you in advance for your understanding through the upcoming transformation phase.

Sincerely,

*Team Gymtrix
